About ItinFlow

ItinFlow is a product operated by EventScouts AG. ItinFlow provides software and automated document-processing services for travel professionals and business users.

Disclaimer

EventScouts AG makes reasonable efforts to keep the information published on the ItinFlow website accurate and up to date. However, no guarantee is given that all information is complete, accurate, current, or continuously available.

Information provided through the website does not constitute legal, financial, immigration, medical, safety, or travel advice. Users remain responsible for independently verifying all information relevant to their business and travel activities.

External links and third-party services

The ItinFlow website and application may contain links to or integrations with independent third-party websites and services, including Axus and other technology providers. EventScouts AG does not control and is not responsible for the content, availability, security, or privacy practices of independent third parties.

Copyright and intellectual property

Unless stated otherwise, the ItinFlow name, website content, software, branding, design, text, graphics, workflows, and other materials are owned by or licensed to EventScouts AG.

Content may not be copied, reproduced, distributed, modified, published, or commercially reused without prior written permission from EventScouts AG, except where such use is permitted by law.

Liability

To the maximum extent permitted by applicable law, EventScouts AG is not liable for losses arising from reliance on website content, temporary unavailability, third-party services, external links, or technical interruptions outside its reasonable control.

Nothing in this Legal Notice excludes or limits liability for wilful misconduct, gross negligence, or any other liability that cannot be excluded or limited under applicable law.

Applicable law and jurisdiction

This Legal Notice is governed by the substantive laws of Switzerland. Subject to mandatory law, the courts at the registered office of EventScouts AG in Zug, Switzerland, have exclusive jurisdiction.
